Applications under a Power of Attorney (POA)

Representatives such as those with POA, should complete the Application Form with details of the Applicant.

 1. A statement that this is a true copy of the original;
 2. The certifier's details (such as name, address, occupation and professional body membership number); and
 3. The certifier's signature and the signature date.
- Signed on behalf of the Applicant.

Verification of identity

In all cases, we will endeavour to confirm the identity of Applicants using an electronic verification system. Therefore, you do not need to send us identity documentation with your application. If the electronic verification checks are not successful, we will ask you to provide two pieces of identity documentation:

1. Certified copy of one government-issued, photo ID document to evidence your identity – such as driving licence or passport (documents must be valid and in date); and
2. Certified evidence of your address such as a utility bill or bank statement (documents must be dated within the last three months).

The name and address detailed on the verification documents must be the same as the name and address provided on your Application Form. They will need to be certified as true copies of the originals by a Financial Adviser, solicitor, accountant, barrister, notary or FCA SMF (Senior Management Function).
