

18 September 2024

s9(2)(a)

Via email: s9(2)(a)

Dear s9(2)(a)

Thank you for your Official Information Act (OIA) request, received on 5 September 2024.
You requested:

"All documents and correspondence between 1 October 2023 and now - including but not limited to emails, briefings, aide memoire, file notes, minutes, and letters - held, created or received by the Commission relating to specific proposed Waste-to-Energy projects (including but not limited to the projects proposed for Kaipara or Waimate) or Waste-to-Energy plants in general."

Searches of our records for various keywords and categories have not identified any information relevant to your request. Accordingly, I am refusing your request under section 18(e) of the OIA as the information sought does not exist.

The Infrastructure Commission has created and maintains a National Infrastructure Pipeline. The Pipeline is a compilation of infrastructure project information collected from many contributing organisations. It includes a search tool which you can use to find information about specific projects in the sectors and regions of interest to you. You can find the Pipeline on our website here: <https://tewaihanga.govt.nz/the-pipeline>.

Further information about how to search the Pipeline can be found in our response to a prior OIA request that has been published here: <https://media.umbraco.io/te-waihangā-30-year-strategy/3krbynqx/national-infrastructure-pipeline-data.pdf>.

If you have any further questions about the Pipeline or how to access data on the Platform, you can contact our team directly at pipeline@tewaihanga.govt.nz.

Please note that this letter (with your personal details removed) may be published on Te Waihangā's website.

This reply addresses the information you requested. You have the right to ask the Ombudsman to investigate and review my decision.

Yours sincerely

Barbara Tebbs
General Manager – Policy
