## 2.2. Upcoming events

We advise you of any significant forums or events that Infrastructure Commission staff are attending or presenting at.

Event	Event date	Description (attending/presenting/purpose)
Follow up meetings with Green Party MPs on the National Infrastructure Plan	Late January / February (tbc)	We provided an initial briefing on the NIP to Green Party MPs on 15 October. They have asked for a follow up meeting in the New Year so that they can keep across this work.
2023/24 Annual Review hearing	30 January	Geoff Cooper (CE) and Raveen Jaduram (Chair) will attend this hearing with the Transport and Infrastructure Select Committee.  This session may be extended to include a briefing for the Committee about the Commission’s advice on the potential costs of the Northland RONS, to inform the Committee’s inquiry into an NZIER report. This session was initially scheduled for 12 December but was deferred due to the House sitting under urgency that week.
Building and Construction Sector Event	18 February	Geoff Cooper, CE, will be the guest speaker at ‘Industry Pace’ that is a networking event hosted by Carter Holt Harvey and J. A. Russell for a cross-section of industry stakeholders. There will be about 150 people at the event, which will be at the Ellerslie Event Centre in Auckland.

Event	Event date	Description (attending/presenting/purpose)
ILN Auckland Meet-Up	6 March	Infrastructure Leaders Network. The agenda is currently being developed and will continue to focus on fostering leadership, capability, and collaboration across the infrastructure sector. Please let us know if you wish to attend.
Infrastructure Resilience Conference (Infrastructure NZ)	18 March	We understand that you will be speaking at Infrastructure New Zealand's Infrastructure Resilience Conference. Peter Nunns (GM Strategy) has been asked to speak at a conference session on 'resilience in interconnected infrastructure networks'.
Annual Āpōpō Congress	14-16 May	The theme for the conference this year is 'Delivering infrastructure value'. We are currently confirming who from the Commission will be speaking at the Congress.
Infrastructure Commission Symposium	25 June	We will be holding our annual symposium in the Beehive Banquet Hall on this date. We will be confirming speakers over the coming months.
Infrastructure Leaders Network (ILN) Wellington Meet-Up	26 June (tbc)	The agenda is currently being developed and will continue to focus on fostering leadership, capability, and collaboration across the infrastructure sector. Please let us know if you wish to attend.

Below is a list of some of the external events that will be coming up this year that have an infrastructure focus. This list is not inclusive and will continue to be updated.

Event	Event date	Organiser and event description
Catalysing Collaboration for Adaptation and Resilient Infrastructure in New Zealand	12 February	Infrastructure New Zealand and KPMG are hosting an event on Wednesday 12 February at 5:30pm that will feature domestic and global leaders in infrastructure resilience and climate adaptation in the lead up to INZ and Brightstar's March Infrastructure Resilience conference.
QuarryNZ Conference	9-11 July	The future is now: Empowering the next generation of quarry professionals.
SuperLocal Conference	16-17 July	Organised by Local Government New Zealand. We have had initial conversations with LGNZ about speaking opportunities at this conference, but have not yet confirmed.
Building Nations 2025	6-7 August	A vision for New Zealand hosted by Infrastructure New Zealand.
IPWEA International Public Works Conference	25-28 August	International conference.
Taituarā Conference 2025	3-5 September	Annual conference.

## Appendix A: List of upcoming reports and publications

We investigate a range of topics to help build the capability and performance of the infrastructure system and to support discussions with the sector. We publish reports that we commission or author ourselves – including research insights, ‘deep dive’ inquiries, project reviews, economic analysis, and policy insights. The list below sets out our current programme of reports. We provide the Minister’s office with a heads-up before publishing.

Topic / Title	Type of report	Intended publication date	What this report or publication covers
Insurance of infrastructure against natural disasters	Research Insight	Week of 27 January 2025	This report is expected to provide information on current approaches to insuring infrastructure assets, across multiple networks, against natural disasters. It will also explore the economic consequences of different approaches to insurance or self-insurance. [TW-2024-514 refers.]
Pipeline snapshot (fourth quarter 2024)	Pipeline report	Week of 3 February 2025	Analysis and high-level insights summarising the Pipeline update and change between quarters. We will be preparing a media release for your office on this snapshot.
Delivering better value and better outcomes: changing practices in infrastructure delivery	Delivery guidance	February 2025	Based on best international practice, this report points to ‘lowest price tender’ as generally giving poor long-term outcomes where major projects are concerned. And highlights some delivery principles that will help government become a better infrastructure client when conceiving, designing and building major infrastructure projects.
Better Value, better Outcomes: changing practices in infrastructure delivery	Research report	February 2025	Based on best international practice, this report points to ‘lowest price tender’ as not giving ideal long-term outcomes where major projects are concerned and highlights some delivery principles that will help government become a better infrastructure client when conceiving, designing and building major infrastructure projects.
Towards better contracts	Delivery guidance	February 2025	Contracts express and drive the relationship between client and delivery partner/s, and as such are a cornerstone of good projects. This report looks at New Zealand government contracting practice and the relationships this drives/supports from the perspective of a number of different agents: client, engineer, lawyer, contractor, etc – highlighting what they’ve said in structured interviews about this.

Topic / Title	Type of report	Intended publication date	What this report or publication covers
Nation Building: 150 Years of Infrastructure Networks	Research report	Late February 2025	This report will provide a new long-term database on infrastructure construction prices, infrastructure investment, and size of infrastructure networks, broken down by infrastructure sector. The report will be an important background paper for the Infrastructure Needs Analysis work that is being done as part of the development of the National Infrastructure Plan.
Feedback on Testing our thinking	Report	March 2025	This report will provide an overview of feedback received on our discussion document <i>Testing our thinking: Developing an enduring National Infrastructure Plan</i> . We will share what we've learnt and highlight ways the feedback will inform the Plan.
Does Growth Pay for Growth?	Research report	Late March 2025	This research report will share findings on whether infrastructure-enabled economic growth is sufficient to generate revenues to cover the costs of infrastructure construction.
