s9(2)(a)

Dear s9(2)(a)

Thank you for your voicemail on 1 September 2026 requesting information as follows:

"..... And what I'm looking for is

1. the number and any and or any details of complaints, employment relations processes and or settlements relating to s9(2)(a), who was a principal advisor there between s9(2)(a) relating to their conduct towards staff. and
2. separately any details relating to the performance of their duties in that role."

I have considered both parts of your request under the Official Information Act 1982 (OIA). Please find my decision on your request set out below noting that I have numbered your request for response purposes.

Response

Part 1:- I confirm that there are no records of complaints, employment relations processes and/or settlements relating to s9(2)(a) held by the New Zealand Infrastructure Commission/Te Waihanga.

Part 2:- My decision is to withhold performance information contained in employment records for s9(2)(a) under section 9(2)(a) of the OIA.

In making my decision on the release of information, the public interest considerations set out in section 9(1) of the OIA were considered. It is necessary to withhold information as the public interest identified does not outweigh the reason for withholding under the following section of the OIA:

- s9(2)(a) – performance details are withheld to protect the privacy of the employee. It is considered reasonable to expect that this information remains private and that the individual is not exposed to unwarranted public scrutiny or attention.

I trust this response addresses the information you requested. You have the right to ask the Ombudsman to investigate and review my response.

Please note that this letter (with personal details removed) may be published on the Commission's website.

Yours sincerely
