

Congratulations on your new Vipp436-437 Swivel table

*Whether we develop a bin, rethink modular kitchens, or create a furniture line,
we measure the quality of our products by their ability to stand the test of time.*

A recipe we have followed since 1939.

vipp

About the product

Combining a precision-crafted aluminium frame inspired by Vipp's iconic Swivel chair with a warm oak veneer tabletop, the Swivel table brings structural lightness and an eye-catching expression.

Available in three sizes 200 cm, 250 cm, and 300 cm.

Assembly

Please follow these instructions to assemble your product safely and correctly.

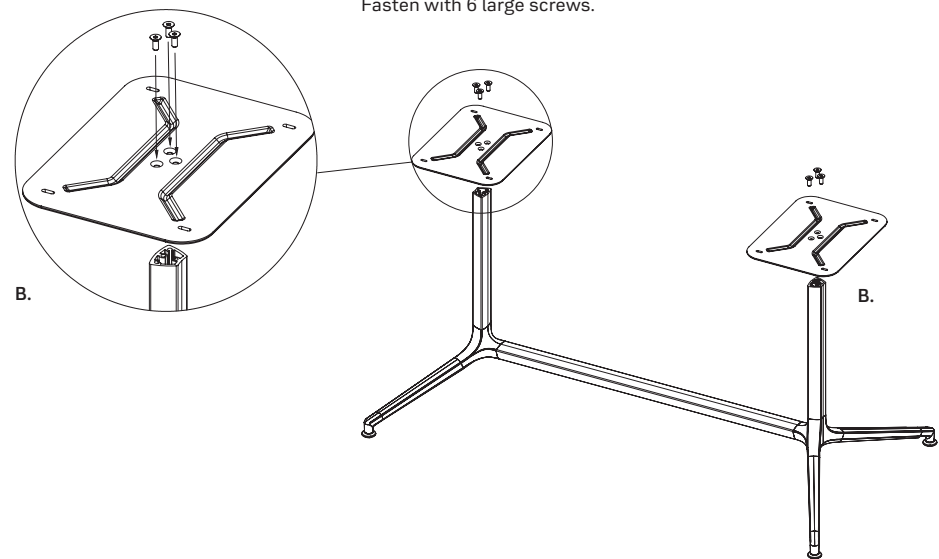

01 Assemble the table base

Insert the connector pieces onto the pipes on both sides.
Position them properly and fasten with 6 large screws.

02 Positioning the brackets

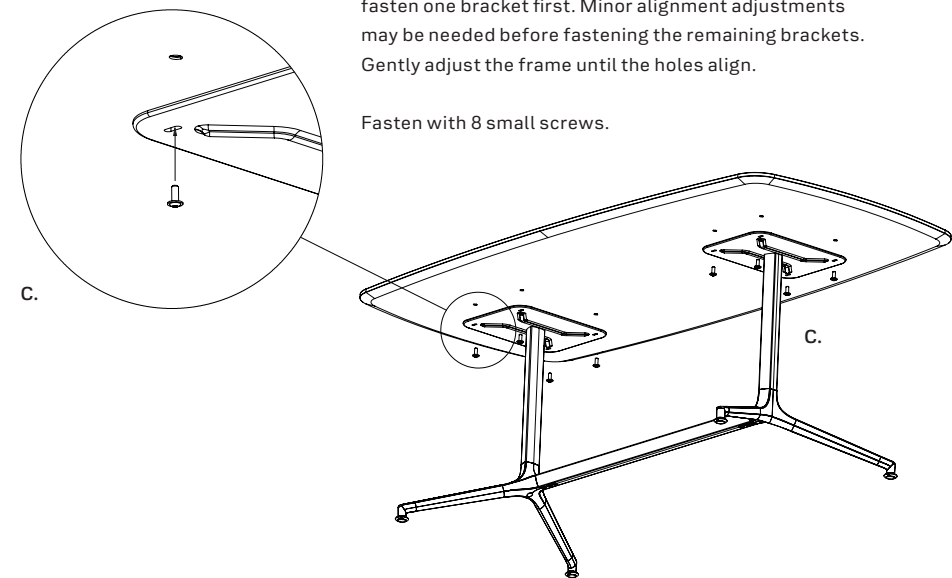

Place brackets on top and align them with mounting holes.
Fasten with 6 large screws.

03 Place and mount the worktop

Carefully place the worktop onto the brackets and
fasten one bracket first. Minor alignment adjustments
may be needed before fastening the remaining brackets.
Gently adjust the frame until the holes align.

Fasten with 8 small screws.
